

QUAY COMMUNICATIONS Inc.

## ANNOUNCEMENT

Quay Communications Inc is pleased to announce that Valder Belgrave has joined our Vancouver management consulting practice as Customer Relationship Strategist. Valder will play a key role in the development and market launch of Quay's proprietary Relationship Poker executive workshops and management tools.

Quay uses the Relationship Poker suite to teach organizations how to increase the profitability of their customer relationships. The company also provides strategic planning and marketing services.

Valder was previously Manager, Transportation Demand Management at TransLink and has international experience in marketing, advertising and product development.
